Aged Care ID: AC50592724

Date of Birth: 29/09/1938

Age: 84 years

Assessment Summary

A comprehensive assessment was undertaken with Mr Neofitos (Charlie) Charalambous on the 7/04/2021 at his home in Williamstown North with his wife, Eleni and daughter Koula present. Charlie was referred by the Regional Assessment Service to determine eligibility for a Home Care Package. The comprehensive assessment was completed by Kate Langlois, Western Aged Care Assessment Service.

Charlie currently receives formal support with cleaning and gardening through the Commonwealth Home Support Program.

Support is also provided by his daughters Koula and Soula with shopping and transport and assistance with caring for Eleni who has recently had a stroke. Support is also provided by Eleni's sister who prepares all main meals for Charlie and Eleni. Charlie wishes to remain living at home and both plan for his future and gain access to formal services. There are currently no approvals for residential care or a home care package in place.

The assessment identified you are eligible for:

Home Care Package Level 2 Medium Priority

Residential Respite Low Level

Permanent Residential Care

The assessment identified due to your ongoing health needs you require Commonwealth Home Support Program on an ongoing basis until alternative supports are in place or you no longer require assistance. The existing cleaning and gardening service can continue while you are waiting for a home care package. Referral codes have been provided for showering assistance and flexible respite.

Information has been provided on : Guide to Commonwealth Home Support Program and Guide to Home Care Packages.
